The sequence listing information in the above-identified application is identical to that of the parent case, U.S. Ser. No. 09/696,791, filed October 25, 2000. Accordingly, under 37 CFR sec. 1.821(e), please use the computer readable form filed in U.S. Ser. No. 09/696,791 as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. As described herewith, a compact disc copy of the sequence listing information for the instant application (in lieu of a paper copy) is provided herein.
